Withdrawing early from your Studies?

Remember, if you have a full-time and/or part-time loan and decide to attend school part-time, you will be required to make payments on your full-time loan(s); however, payments on your part-time loan(s) will be deferred until six months after studies have been completed and no interest will accrue during your in-study period and during the six months following the month you cease to be a student

If you only received a full-time loan(s), you will be required to start making payments six months after your last confirmed period of studies end date.
