ACADEMIC TRANSCRIPT - EXPLANATORY NOTES

ACCREDITATION: Mount Allison University is a member of: Universities Canada (formerly AUCC)

ACADEMIC SESSION: The academic session includes three academic terms; Spring/Summer (SS), Fall (FA) and Winter (WI). The Fall and Winter terms are each approximately 12 weeks of classes and an examination period. A limited number of courses are offered during a condensed seven week session in the Spring/Summer term. A Term GPA (TGPA) is calculated at the end of each academic term. A Session GPA (SGPA) is calculated at the end of the Winter term in each academic session.

PROGRAM REQUIREMENTS: All undergraduate degrees require completion of the equivalent of 120 credits. Up to September 1996 Fine Arts required the equivalent of 132 credits; from 1996 up to September 2001, 126 credits were required. Effective September 2001, 120 credits are required for a B.F.A. A one year post-Baccalaureate B.Ed. program was offered up to 1997/98; a two year undergraduate Engineering Certificate program was phased out beginning 1996/97.

GRADING SYSTEM ***(Up to September, 1994)***

Results were reported on a numerical percentage basis. The passing grade for each course was 50%. A grade of 75% or more satisfied scholarship standing.

Successful results were classified as:

80-100%	Excellent	1st class standing, distinction, scholarship level
70-79%	Very Good	2nd class standing
60-69%	Satisfactory	3rd class standing
50-59%	Marginal	pass
0-49%	Failure	

GRADING SYSTEM ***(Since September, 1994)***

Results are now reported on the following letter grade system. There are no official equivalent percentage grades.

Letter Grade	Descriptor	G.P.A. Equivalent
A+	Outstanding	4.3
A	Excellent	4.0
A-	Very Good	3.7
B+		3.3
B	Good	3.0
B-		2.7
C+		2.3
C	Satisfactory	2.0
C-		1.7
D+		1.3
D	Marginal Pass	1.0
D-		0.7
F	Failure	0.0

COURSE NUMBERING SYSTEM: The first digit indicates the year in which the course is normally taken, the middle two specify a particular course within a department and the fourth indicates the course weight. Course credit weights are indicated on the transcript. A two term six credit course is numbered ending in 0, with the exception of MSCI 5990 which extends through multiple terms and has no credit value; a two term three credit course ends in a 3; a single term three credit course ends in 1; a two term one credit course ends in 9. Effective in September 2000, two term six credit courses followed by the letter 'F' denotes part 1- Fall term and 'W' denotes part 2 - Winter term. Both Fall and Winter terms must be successfully completed to obtain credit for the course. Partial grades for only one term completed will not be awarded. No grade will be recorded for the Fall term. The final grade will be recorded in the Winter term. Effective in September 2017, MSCI 5990 extends through multiple terms and has no credit value.

INTERPRETATION OF SYMBOLS

AEG	Aegrotat Credit standing very occasionally awarded by Senate when serious illness has prevented normal completion of the course
AU	Audit - no credit awarded
CIP	Course In Progress
CP	Conditional Pass – excluded from GPA
CR/NC	Credit/No Credit – notation used for Challenge for Credit, excluded from GPA
CTN	Continuance of a two term Fall/Winter course: the final grade is recorded in the Winter term
DE	Deferred course results
E	Exemption from the course, no credit awarded
FE	Eligible to write a supplemental examination
INC	Incomplete – interim grade for approved extension on incomplete course work, counts as 0.0 in GPA
P	Pass – may be used to fulfill pre-requisite requirements, excluded from GPA
PS / FS	Pass Supplemental / Fail Supplemental -results from Supplemental exams, excluded from GPA
W	Withdrawal from a course after course drop deadline, without academic penalty. Effective September 2007 to August 2017 and effective again as of September 2019, 'W' is recorded only for withdrawal approved after the withdrawal deadline, without academic penalty. Courses withdrawn before the deadline do not appear on the transcript. Effective September 2017 to August 2019, 'W' is recorded for withdrawal from a course after the end of the fourth week of the term until the last day of classes in the term.
X	a series of 'X' notations indicates withdrawal from the University.
*	indicates repeated course. Results for all attempts remain on the transcript. Only the attempt with the highest grade is included in the CGPA and in the total credits used for CGPA calculation (effective September 2000). If a course is repeated within the same academic session, only the attempt with the higher grade is included in the SGPA and in the total credits used for SGPA calculation (effective September 2006)
–	indicates an alternate grade first used during COVID-19
