_____

_____

Does the student's current condition create any limitation(s) or restrictions on their academic and/or university-related pursuits? YES NO

If YES, please explain: _____

_____

Is the condition that warranted their time away from campus permanent? YES NO

If no, or if the condition still requires ongoing treatment, what is the anticipated/recommended length of time required for supports?

From: _____ To: _____

Please indicate if the student should receive any of the following supports:

- ☐ Psychological Treatment
- ☐ Counselling (Mount Allison Student Development Counsellors provide short-term crisis intervention and solution-focused therapy)
- ☐ Academic Support
- ☐ Medical Follow-up
- ☐ Medication Management

Please provide any recommendations for supports and services that should be offered. These recommendations will be used as part of a wellness plan that will assist in supporting this student after their return to school. _____

_____

_____

Mount Allison Student Union health benefits cover a variety of private services (e.g. psychological treatment) that must be arranged by the student.

Is the student able to make such arrangements? YES NO

Will you refer the student for psychiatric follow-up? YES NO

Will you continue to monitor the student should they return to university? YES NO, patient followed by _____

Has the student been prescribed medication for a condition? YES NO

If yes, please indicate possible side effects that may interfere with academic and/or other university-related pursuits:

_____

_____

Is there any other course of treatment currently being used? YES NO

Specify: _____

How many courses would you recommend the student take in his/her returning term?

☐ **3** (Full-time)
☐ **4** (Full-time and eligible for scholarship renewal with Director approval)
☐ **5** (Full-time and considered a full and strenuous course load)

If accommodations were in place prior to the withdrawal, are they adequate given the current situation and reasons for the medical withdrawal? YES NO N/A

Specify: _____
