Explanation of changes and other important information

We changed your total federal non-refundable tax credits to \$3,805 and your total New Brunswick non-refundable tax credits to \$2,134.

The Canada workers benefit (CWB) is an earnings supplement for low- and modest-income workers. We changed your Canada workers benefit to \$2,302.00 as a result of a change to your adjusted family net income. For more information about the CWB, go to **canada.ca/canada-workers-benefit**.

Since you claimed the disability amount, you may be entitled to open a Registered Disability Savings Plan (RDSP). To open an RDSP, the person with the disability must be under the age of 60. For more information, visit the Employment and Social Development Canada website at **canada.ca/rdsp** or call 1-800-O-Canada (1-800-622-6232). For TTY service, call 1-800-926-9105.

As of the date of this notice, you have unused net capital losses from other years of \$498. But, if you apply this amount to any tax year other than the current one, we may have to recalculate your unused balance. This is because different years have different capital gains rates. You can use your unused net capital losses to reduce taxable capital gains that you have reported. For more information, see Guide T4037, Capital Gains.

Your refund includes refund interest of \$24.87.

You can avoid more interest charges if you pay the balance due by December 11, 2024.

Based on the information you gave us, we changed your federal disability amount (for self) from \$0 to \$9,428. We also changed your New Brunswick disability amount (for self) from \$0 to \$9,309.

Based on this reassessment, you have unused federal tuition and education amounts of \$22,097 and New Brunswick amounts of \$22,097. You can carry forward these amounts to later years. To make sure we calculate your unused amounts correctly, you need to file a return each year, even if you have no income to report.

If you have questions about your reassessment, please call our Individual Tax and Enquiries line at 1-800-959-8281. For individuals living in the territories (area code 867), call 1-866-426-1527.
