Your request for funding cannot be processed for the following reason(s):

- We are awaiting confirmation of Satisfactory Scholastic Standard (SSS). Once your current period of study has finished and your educational institution has submitted your academic information to Student Financial Services, an assessment of your file will be completed. If you wish, you may also provide a copy of your transcript to assist with the review process. For further information regarding SSS, refer to Satisfactory Scholastic Standards on the Student Financial Services website at gnb.ca/studentaid.

In addition, should the items noted above be resolved, the following information will be required in order to process your request for funding:

- The income tax information you provided appears to be incomplete or inaccurate. You must submit a copy of your 2024 Proof of Income Statement from the Canada Revenue Agency (CRA), which is available through your CRA "My Account" online, in order to confirm the amount reported on line 15000.
- A "Request for Program Information - Intersession/Summer Session Form" completed by the educational institution you plan to attend. The form is available on the Student Financial Services website at gnb.ca/studentaid.

Information, if required, can be submitted electronically by visiting studentaid.gnb.ca and selecting "Upload a Document". Please note that uploaded documents are reviewed in the order they are received, and it can take two to four weeks for processing. All information must be received by Student Financial Services at least six weeks before your study period end date, as funding cannot be issued after your study period ends.
