Total Cost
33,925.49 CAD
Total Market Value
2,837.28 CAD

¹Original Cost means: The total amount paid for the crypto asset, including any transaction charges related to the purchase. In the case of crypto assets that have been transferred in, the market value at the date of transfer will be used.

²Inclusive of fees and/or spread. Actual amounts debited and credited to accounts may be rounded to the nearest cent, or smallest equivalent unit of currency. For some transactions, this value represents the best approximation of its fiat equivalent at the time of transaction.

*Part or all of this position was acquired outside of Coinbase, market value information has been used to estimate part or all of the original cost of this position.
